

Test Automation Engineer

 Katowice (Tychy)

 Full time

 ASAP

 Permanent

We are a well-financed start-up with senior founders solving a problem of process and automation discovery we experienced in our daily consulting work. We are using state of the art technologies including artificial intelligence to show results and solutions not known in the industry until now. Our motivated team is constantly growing. We are currently looking for hands-on colleagues joining our exciting endeavor! Our teams are located in exciting office locations in Cologne and Katowice.

Your Tasks

- o Create and develop automated tests (API, UI, using Java and SikuliX)
- o Create test cases documentation
- o Perform manual tests for new features – especially frontend tests - business functionalities, compatibility of screens with mockups
- o Detect and reporting bugs during the testing process
- o Support the release process

Your Profile

- o Successfully completed studies in computer science or electrical engineering, alternatively completed training as an IT specialist (Software Tester)
- o Preferably 2 years of experience in software & web applications testing as well as bug tracking, test management and test automation
- o Hands-on experience on Project Management tools like Jira, YouTrack
- o First experience with tools / languages such as Java, SikuliX, Python, C ++
- o Good understanding of technical aspects of Windows application deployment
- o Very good analytical and problem-solving skills
- o Effective communication skills in English

We offer

- o Real impact in creating a system
- o Be part of a strong team with a professional approach which shares the knowledge and solves problems together
- o Modern system to support with daily bug fixing - as a pioneer we are creating a cutting edge solution
- o An office in Tychy – near by Katowice
- o Start-up flair paired with professional group experience

If you are interested in joining our team, please send your CV/Resume to recruitment@kyp.ai and use the title “Tester” - your contact person will be Marta.
